

# BUCKLESHAM & FOXHALL COMMUNITY COUNCIL

## **Equal Opportunities Policy**

### **Policy Statement**

Bucklesham and Foxhall Community Council (the Council) acknowledges that the United Kingdom is diverse in culture, race, beliefs and religion. The Council appreciates that members of these groups are often under-represented, exposed to prejudice and stereotyping, and suffer various disadvantages within our society.

The Council is committed to being an equal opportunities organisation. The policy is to ensure that no one person, groups of people or organisations that the Council comes into contact with (either by virtue of activities organised by the Council or otherwise) receive less favourable treatment on the grounds of gender, sex, race, age, disability, colour, nationality, ethnic or national origin, marital status or religion.

The purpose of this policy statement is to set out clearly and fully the positive action that the Council intends to take to combat direct and indirect discrimination in employment policy, management of the organisation, relationships with other bodies, and the service it provides to the community, community organisations and individuals.

### **The Aims of The Council**

Our aim is to ensure that we become aware of discrimination and the problems it causes.

- Every possible step will be taken to ensure that individuals, groups and organisations are treated equally and fairly and that decisions of the Council on applications, selection, work, assistance, involvement and any other matter over which the Council has power to decide are based on objective and merit-related criteria.
- The Council will challenge practices, legislation and instructions which seek to discriminate against or deny the rights of individuals or groups in any form.
- The Council will seek to take positive action to address the inequalities in our society.

- The Council is committed to the equal opportunities policy set out in this document and will work to develop, improve and monitor it.
