Bucklesham Parish Council Action Plan April 2026 to March 2027

Introduction

Bucklesham Parish Council aims to be a positive and reliable organisation which meets the needs of Bucklesham residents through commitment, awareness of their needs, and excellent communication. We are proudly proactive and we strive hard on behalf of all residents to ensure Bucklesham remains a wonderful place to live.

We are responsible for the Playing Field, the Allotments, and the Village Hall. This Action Plan details our proposals for the year ahead, what we intend to achieve over the final 12 months of the current administration, and in the longer term.

There are 6 scheduled meetings in this coming year, and Councillors are committed to attending any additional meetings that may be deemed necessary. All Councillors adhere to the Code of Conduct, and the Civility and Respect Pledge.

This Plan is reviewed regularly and updated as projects are completed and situations evolve.

The Allotments

The Green Crescent Allotments were gifted to the Parish Council by East Suffolk Council by way of a Community Asset Transfer (CAT). The entrance and neighbouring paddock still remain the property of East Suffolk Council.

The Parish Council has enquired as to the possibility of obtaining the entire area but at present East Suffolk Council are not willing to part with the land. There is the possibility that this may change once the Council re-organisation takes place. We will continue to monitor this.

The Council will endeavour to protect the Allotments for the benefit of all residents, and ensure that the availability of plots is advertised widely within the village. We will work hard to continue the excellent working relationship we have built with all tenants.
